Mr. W. Vernon Guilford

DEDICATION

The Senior class of 1955 wishes to dedicate this yearbook to Mr. W. Vernon Guilford for his energetic and faithful service during the past eight years. His firm but understanding way has won him many friends. To most of us he is known as a mathematics teacher although his time at Hemlock has been spent teaching a majority of the subjects offered. Aside from his teaching career Mr. Guilford operates a successful farm. Therefore we of the Senior Class take off our hats to a most successful man.
